

Ethnicity and Dementia: Improving Patient Care

Wednesday, May 26, 2004

8:30 am - 12:30 pm

**Radisson Hotel Los Angeles, Westside
Culver City, California**

Presented by:

California Association of Long Term Care Medicine

In collaboration with:

UCLA Alzheimer's Disease Center

USC Alzheimer's Disease Research Center

**Alzheimer's Association of Los Angeles, Riverside and
San Bernardino Counties**

COURSE DESCRIPTION

This conference will focus on the clinical challenges in diagnosing, assessing, communicating, and treating dementia in a diverse elderly population.

COURSE OBJECTIVES

At the conclusion of this conference, participants will be able to:

- √ Identify ethnic differences in diagnosing dementia
- √ Identify and apply ethnic-sensitive dementia assessment tools
- √ Identify barriers to and techniques for improving health literacy for patients with dementia

TARGET AUDIENCE

- √ Community-based health professionals, including physicians, nurses, social workers, and psychologists who provide care for elderly patients of diverse ethnicity
- √ Academic and clinical faculty who train physicians, nurses, social workers, and psychologists

ACKNOWLEDGEMENTS

This program would like to acknowledge support from:

UCLA Academic Geriatric Resource Center

California Geriatric Education Center

Resource Centers for Minority Aging Research, National Coordinating Center at UCLA
